Regulation of the Teachers Council of Thailand on Professional Standards and Ethics

By virtue of provisions in paragraph one (11) (e), (f) of Section 9, Section 49 and Section 50 of the Teachers and Educational Personnel Council Act B.E. 2546 (2003), along with the resolution of the Teachers Council of Thailand Board Meeting No. 9/2005 on June 20, 2005, and the resolution of the Teachers Council of Thailand Board Meeting No. 10/2005 on July 18, 2005, by approval of the Minister of Education, the Teachers Council of Thailand Board hereby issues the regulations of the Teachers Council of Thailand governing the professional standards and ethics as follows:

Clause 1 This Regulation shall be called the “Regulation of the Teachers Council of Thailand on Professional Standards and Ethics B.E. 2548 (2005).”

Clause 2 This Regulation shall come into effect as from the date of its publication in the Government Gazette.

Clause 3 In this Regulation,

“Profession” means educational profession with the primary duty relating to the teaching and learning process, and promotion of learning among learners through various methods, including responsibility for the administration of public and private educational institutions at early child, basic and higher education levels below a degree level; and educational administration outside educational institutions at the educational district level; as well as educational support; provision of services or undertaking of activities in relation to the teaching and learning process, supervision and educational administration in various educational agencies.

“Educational Professional Practitioners” means Teachers, Educational Institution Administrators, Educational Administrators and Other Educational Personnel who are granted licenses to practice the Profession under the Teachers and Educational Personnel Council Act B.E. 2546 (2003).

“Teachers” means such persons whose primary profession relates to the teaching and learning process, and promotion of learning among learners through various methods in public
and private educational institutions at early child, basic and higher education levels below a degree level.

“Educational Institution Administrators” means such persons who act in the capacity as administrators of educational institutions in educational districts, and other public and private educational institutions at early child, basic and higher education levels below a degree level.

“Educational Administrators” means such persons who act in the capacity as administrators outside educational institutions at the educational district level.

“Other Educational Personnel” means such persons who perform the duties to support education, provide services or undertake activities in relation to the teaching and learning process, supervision and education administration in educational agencies, and whose educational qualifications must meet the requirements set forth by such educational agencies.

“Educational Professional Standards” mean provisions relating to desirable characteristics and quality in the practice of the educational profession, to which the Educational Professional Practitioners shall adhere, comprising the Standards of Professional Knowledge and Experience, the Standards of Performance, and the Standards of Conduct.

“Standards of Professional Knowledge and Experience” mean requirements relating to knowledge and experience in learning management or educational management, which the Educational Professional Practitioners shall have sufficiently to practice the Profession.

“Standards of Performance” mean requirements relating to characteristics or behavior in work performance and improvement, with which the Educational Professional Practitioners shall comply to accomplish the results as per the objectives and goals of learning or educational management, as well as continually practice to improve skills or expertise.

“Standards of Conduct” means the professional ethics which are set out as the behavior model, to which the Educational Professional Practitioners shall adhere, to uphold and promote reputation and status of the Educational Professional Practitioners to build confidence and trust among clients and society, which would bring honor and dignity of the Profession.

Clause 4 The Chairperson of the Teachers Council of Thailand Board shall govern the execution of this Regulation and have the power to issue rules, notifications, or orders to ensure compliance with this Regulations, including the authority to interpret and make final decision on any issues relating to performance as stipulated in the Regulation.
